

February 22, 2024

As your elected Bargaining Committee, the second week of negotiations with DTV have been continuous, effective communication with both parties submitting proposals for review.

Your Bargaining Committee submitted improvements on the following topics:

- Duration of the Contract
- Recognition
- Force Allocation
- Work Schedules
- Mutual Respect / Company Union Relations
- Scheduling
- Payroll Deductions

The goal is to achieve contractual language that improves the lives of the Membership – on or before the expiration date, April 6, 2024

We will continue to fight to win concessions from the Company.

Stay Engaged – Get Involved – Mobilize, Mobilize!
