Note: This class is open to Northern California students only. Don't worry though, as we will be offering this class for our Southern California students in May.

CWA represented AT&T members have a $1200 yearly negotiated Educational benefit that will cover the cost of these courses under the Horizons program.

If you are interested in taking any of these classes:

Step 1: Scan the QR code or click the registration link to send your information to the school for registration.

Step 2: Don't forget to fill out your Horizons application form for the funding of the class. The application form may be found on HR OneStop, or contact your local steward or Education Chair for assistance.
